COMFORTABLE ENJOYMENT,  
BUT SAFE!

Your well-being is close to our heart.

In accordance with the current recommendations of the federal government we implement an effective indoor air concept with consulting engineers in the Parkhotel.

Our ventilation system, which is serviced twice a year, is additionally adapted to Corona conditions and through modern tested and recommended air purifiers.

**In addition to "AHA + L" we achieve with this technology a particularly high air quality and guarantee you maximum safety and relaxed enjoyment during a visit to the Seasons Restaurant.**
